Renhurst Farm
Mark Cross
East Sussex, TN6 3NR
01892 852168

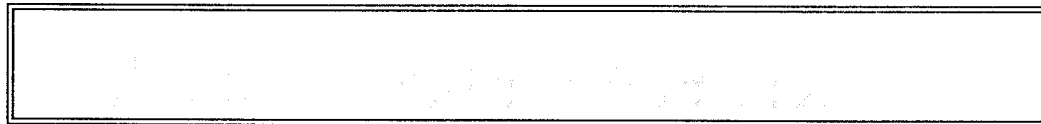

Our family farm is based in the village of Mark Cross, Sussex where we are the fourth generation of Padfields to farm.

We use native breeds of which the cattle are either Sussex or Aberdeen Angus and the sheep are Suffolk or Romney. The cattle and lambs either finish off grass or are fed home grown cereals if needed. We do not use medicine routinely, only when required.

The pigs are bought as weaners from free range rare breed sows and are finished in straw yards. We mill our own cereals so that they have a GM free diet.

The animals are slaughtered within six miles of the farm and then hung for at least 10 days for the lamb and 21 days for the beef to give maximum flavour and tenderness.
